LOST BOTH LEGS—
DIED AT MERCY HOSPITAL

Marceline, Mo., Dec. 10.—John C. Deaton of Chillicothe, aged 21 years, fell underneath a freight train at Bucklin, last Saturday and lost both legs. He was brought to the Mercy hospital here and Dr. Cantrell amputated in an attempt to save his life.

The shock of the operation and the loss of blood before reaching the hospital was too great, and at 6:00 o'clock he succumbed as a result.

Young Deaton and a boy friend had been home to attend the Thanksgiving celebration and were on their way back to St. Louis where they were employed, when the accident overtook them which resulted in Deaton's death.

Mrs. Deaton was telegraphed for but failed to arrive until after the death of her son.

It is reported the boys had plenty of money to have traveled first class, but elected to beat their way, intending to save their cash.

The body was removed to James McLaughlin's undertaking establishment and prepared for shipment and burial to the Chillicothe home.
